Dear Angela,

On behalf of the Board of Trustees and the team at Ronald McDonald House South Island we'd like to extend a big thank you for your generous support of our Fashion on the Polo Field Event.

We raised over \$10,000 at the event, which will directly help provide much needed care and support for families, making an immediate difference to families in challenging situations by helping to keep them together and strong.

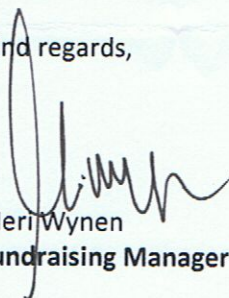

The feedback from the event has been fantastic, with many attendees saying how much they enjoyed the evening, so thank you for your involvement. Your contribution means that we can continue to help support the families that walk through our doors – it's only because of people like you that our facilities remain open 24 hours a day, 365 days a year.

Already this year, we have supported more than 700 families, something we could not do without help like yours. So we thank you again for your kindness, and leave you with the knowledge that your donation will help to ensure that no child will face their medical journey alone.

So thank you again for supporting Ronald McDonald House South Island and in doing so helping families to stay together - when being together is all that matters.

We wish you a prosperous New Year and hope to hear your feedback.

Kind regards,

Meri Wynen
Fundraising Manager
